## NEWS RELEASE

### **Goldbrook Announces Results of 2011 Shareholders' Meeting**

*Vancouver, British Columbia* - Goldbrook Ventures Inc. (“Goldbrook” or the “Company”) is pleased to announce the results of the annual general and special meeting (“Annual Meeting”) of the Company’s shareholders held on December 16, 2011 in Vancouver, British Columbia.

David Baker, J. Earl Terris, Martin Auyeung, William R. LeClair, Brian Grant and Edward T. Gardner were elected as members of Goldbrook’s board of directors. The Company’s shareholders re-appointed Villeneuve & Venne, Chartered Accountants as auditors for the coming year.

Goldbrook’s shareholders also re-approved and ratified the Company’s Stock Option Plan and Shareholder Rights Plan, as more particularly set out in detail in the Management Information Circular delivered to shareholders of the Company in advance of the Annual Meeting.

#### **About Goldbrook**

*Goldbrook Ventures is engaged in the exploration and development of Nickel-Copper-Platinum Group Element sulphide deposits – a class of mineral deposit that, due to its polymetallic nature, has an advantage of protection against individual metal price cycles and has strong long term supply-demand fundamentals. Goldbrook’s quest for discovery is focused in the Raglan District of Northern Quebec, a district that hosts Xstrata’s Raglan operations, arguably one of the world’s most profitable nickel-copper-PGE mines.*

*Goldbrook’s Raglan project is a joint venture with Jilin Jien Nickel Industry Co., Ltd. (“Jilin Jien”) under which Goldbrook and Jilin Jien each hold a fifty percent interest in the Goldbrook properties. Goldbrook Ventures Inc. and Jilin Jien Nickel Industry Co., Ltd. are also the shareholders in Jien Canada Mining Ltd. owner of the Nunavik Nickel Project.*

#### **ON BEHALF OF THE BOARD:**

(signed) “*David Baker,*” Chairman and Director
